

Rico Bassinet

PRODUCT CODE: [N8902](#)

Overview

http://www.valco.com.au/product/rico_bassinet

The Rico bassinet provides the perfect environment for your baby - inside or outside! Fully enclosed and protected from flying insects and nasties, your baby lies cool and comfortable with full ventilation and air circulation.

Your baby is fully supported by a natural base and luxurious mattress made of unique breathable materials.

The simple zip system allows easy access to the bassinet and the easy folding system means baby can always lie in a familiar environment, wherever you may be!

The Rico Bassinet is easy to fold and comes with a carry bag, making life easier when on the go.
